

Egypt

Third Issue.

5 Para.

First Printing 1872.

Perf $12\frac{1}{2} \times 13\frac{1}{3}$.

Perf $13\frac{1}{3}$.

← frame line at higher level

This distortion indicates that a portion of the frame line was carried on the segment of the die bearing the side label and that this part was slightly too long to fit the central part of the die.

→ indented frame

holes in the Pyramid

inverted watermark
