of colour

↑ white flaw above 'Z' not
seen on the lithographs.

Lithograph.

Stone 'A'

Perf 13 1/4

Left frame line cut away. Ink
splashes below.

Stone 'B'

Prussian Blue

The bottom frame line of all three lithographs have been retouched. Stone A was probably an emergency stone. Extensive retouching on B and an adequate time for the gum to fix the lines of design suggest that greater care and time was spent in preparing the latter stone.
